Dear Church Family,

I am excited to announce that we officially launched our Phase 2 campaign! The theme of our campaign is "Building Faith." God used the Tabernacle to build Israel's faith, and He will use this project to build our faith. Over the past 8 years, God has faithfully met all our needs through the generosity of His people. I trust He will provide for this project, too. I want you to be informed so you can prayerfully decide how to partner with God in the work of building up His church.

Here are some important details:

-In April, we will inform the congregation about the building needs and the project goals. I will share important information and updates each Sunday. We will have Phase 2 info meetings after both services on Sunday, April 29th. Please plan to attend one of these meetings!

-In May, we will collect our first offering for the project. We will also collect two-year pledge commitments, and we will invite people to volunteer their skills to help on the project. Sunday, May 6th and Sunday, May 13th are commitment Sundays!

-The main components of the project include: a 3,500 sf addition, two new bathrooms, four new offices, a conference room, storage space, a new gym floor, a resurfaced parking lot, a new gym air conditioner, and some improvements to the kids area. The project budget is coming in at about a million dollars, and we hope to raise 100% of that over the two-year pledge campaign. This sounds daunting, but praise God we raised \$1.6 million during Phase 1 back in 2014!

-We want to be great stewards of the building God provided. If we don't act now on some of these project goals, we will have to pay much more in the end. If we don't resurface the parking lot, it will soon need to be completely replaced, greatly increasing the cost. The air conditioner to the gym barely made it through last summer (it was born in 1977). We are already out of office space, and the thought of spending +\$50,000 a year renting office space for our new staff isn't a great plan.

God loves to see us giving generously to His church. He loves to see us wisely stewarding His resources. And He loves to see us working together as we serve the King of Kings! Please pray about how God can use this opportunity to build your faith.

You are loved!

Pastor Ryan
